

A man with a full, reddish-brown beard and long hair is holding two dark glass beer bottles up to his eyes, using them as binoculars. He is wearing a dark t-shirt and a black wristwatch on his left wrist. The background is dark and out of focus.

# TALES FROM THE BREWERY

**A BEER TASTING EXPERIENCE**  
(beard or hipster not required)

**Join our Brew Master as they guide you through some of America's finest craft brews. We can't promise keg stands but you will have great beer while learning from a brewing master.**

Our Brew Master will help you explore the savor and flavor of beer based on their experience brewing. You'll learn about the beer making process and how it effects the beers you love. Your guide will help you dig deeper into flavor profiles and the power of pairings. Did we mention you will be drinking amazing craft beers? Isn't that reason enough to sign-up?

### **Included**

- Participants receive a collection of beers to try during event
- We begin with a cheers to positivity-celebrating what good things are happening
- Our brew master leads the group in a guided tasting of brews, teaching how to identify and appreciate their qualities
- Kick back with some cold ones and enjoy an hour of socialization and learning a new skill
- Learn a new drinking game

### **What About The Beer?**

Upon request, we can help facilitate the purchase and shipping of beer from one of our beer partners. This allows all guests to taste the same beers during your session and makes a great gift.
